

## PET/CT Scan—Patient Preparation for Bone Imaging

Appointment Date: \_\_\_\_\_ Time: \_\_\_\_\_

### Patient Information

- There is no fasting required in preparation for the scan.
- Patient should wear warm, loose-fitting clothing, **without zippers or any metallic objects**. An elastic waist sweat suit is preferable. It will be necessary for you to change into a hospital gown if you wear anything else that might interfere with your scan. Remove all jewelry, watches, rings, earrings, belly rings. If applicable, patients will also be required to remove dentures for the scan.
- Patient should take regularly scheduled medications.
- Please speak with your Physician regarding a prescription for relaxation if there are any concerns for claustrophobia.
- Patient **must bring insurance cards, photo identification and any pertinent CT or MRI films** with him/her to the PET/CT exam.
- Please plan to spend 1½ to 2 hours with us for your PET/CT examination.
- If you have any questions regarding your exam, please call us!  
Tel: (978) 689-4738  
Fax: (978) 682-0984

*If for any reason you are unable to attend your scheduled PET/CT exam, please call us 24 hours in advance. Thank you.*
